- Linger with lounge-height All-Around table provides a place to relax, converse, or get work done.
- Mind-Share creates semi-private booth-style seating for concentration, meals, or small-group discussions.
- Meeting space outfitted with a Harvest table and View enables group interaction and access to technology.
- Hedge serves as the back row of a meeting area and as space division.
- Sketch efficiently captures the group's ideas and can be easily moved wherever it's needed.
