- Rise brings people together in the comfort of tiered soft seating and supports the natural postures people take.
- View allows for the sharing of media with a monitor on one side and efficient note-taking with a marker board on the other side.
- Mobile Sketch can be moved throughout the room to support collaborative thinking and to capture ideas.
- Multi-functional Scooch seating can be easily moved wherever needed.
- Transfer provides the perfect worksurface when seated at Scooch or Rise.
- Linger paired with Belong side table allows a spot to pause for a moment and relax.
