All-Around™

GATHER™ MULTI-PURPOSE

When people are traveling they want to be able to make the best use of the time they have. And they want to do it comfortably. Gather allows people to stay connected while offering multiple ways to sit, work, and be productive, so they can stretch their minds and their bodies.

- Powered All-Around table allows users to plug in so they can work efficiently and power up technology before they're off and running again.
- Linger offers comfortable soft seating so users can pause and relax, work, or wait for awhile.
- Rise provides an alternative way to sit and work and accommodates group interaction.
- Take-5 seating with cushion allows a more upright posture and a comfortable, productive sit.
